

RESUME OF DR. AWAL OLALEKAN ABDULRAHMAN
Medical Doctor | Data Scientist | Medical Educator | Researcher

drherwal@gmail.com | +234 816 547 1123 | Ilorin, Kwara State,
Nigeria

[LinkedIn] (<https://www.linkedin.com/in/awal-abdulrahman-a53483219>) |
[HayMedics Academy] (<https://www.youtube.com/@HayMedicsAcademy>)

PROFESSIONAL SUMMARY

A Medical Doctor with 8+ years of medical training and a proven track record in clinical practice, medical education, and neuroscience research. Distinguished by multiple national quiz championships and published research in peer-reviewed journals. Founder of HayMedics Academy, successfully mentoring 80+ medical students across Nigeria. Combines strong clinical acumen with data analytics expertise and entrepreneurial leadership. Passionate about advancing healthcare delivery through innovative research, digital education platforms, and evidence-based medicine. Seeking opportunities to contribute to medical excellence in clinical practice, research, or academic medicine.

CORE COMPETENCIES

Clinical & Medical

- Patient Assessment & Diagnosis
- Clinical Decision Making
- Emergency Medicine Response
- Patient Care Management
- Medical History Taking
- Prescription & Treatment Planning
- Ward Round Leadership
- Clinical Procedures

Research & Academic

- Medical Research Design
- Scientific Writing & Publication
- Data Analysis & Interpretation
- Evidence-Based Medicine
- Systematic Review
- Public Health Research
- Epidemiological Studies

Technical & Digital

- Data Science & Analytics
- Statistical Analysis (SPSS, R)
- Medical Database Management
- Video Production & Editing
- E-Learning Platform Development
- Digital Content Creation
- Healthcare Informatics

Leadership & Education

- Medical Education & Curriculum Design
- Student Mentorship & Coaching
- Team Leadership & Management
- Public Speaking & Presentation
- Community Health Advocacy
- Strategic Planning
- Project Management

PROFESSIONAL EXPERIENCE

Medical Intern (House Officer)

Kwara State University Teaching Hospital (KWASUTH) | November 2023 - November 2024

- Completed comprehensive 12-month rotations across all major clinical departments
- Managed 30+ inpatients daily under consultant supervision
- Performed clinical procedures including venipuncture, catheterization, and wound care
- Presented cases during grand rounds and departmental meetings
- Assisted in 200+ surgical cases across various specialties
- Conducted patient education sessions on disease prevention and health promotion
- Participated in emergency response teams and critical care management

Founder & Lead Medical Educator

HayMedics Academy | Ilorin, Nigeria | June 2022 - Present

- Founded and scaled educational platform serving 80+ medical students nationwide
- Developed comprehensive "HayMedics Neuro Course" with 30+ hours of content
- Created multimedia learning resources including video tutorials, slides, and practice questions
- Achieved 95% student satisfaction rate and 85% improvement in exam scores
- Generated sustainable revenue stream through course subscriptions - Built online community of 500+ medical students for peer learning

Data Scientist

HayMedics | February 2024 - Present

- Analyze healthcare data to identify trends and patterns for improved patient care
- Develop predictive models for disease outcomes and treatment effectiveness
- Create data visualization dashboards for medical research presentations
- Implement data-driven solutions to optimize clinical workflows - Collaborate with research teams on statistical analysis for publications

Freelance Video Editor & Content Creator

HayMedia | April 2022 - Present

- Created promotional materials for healthcare organizations
- Managed content strategy for medical education platforms

EDUCATION

Bachelor of Medicine, Bachelor of Surgery (MBBS)

University of Ilorin College of Health Sciences | October 2016 - October 2024

- Completed 8-year intensive medical program with clinical rotations
- Special focus on Neuroscience and Public health
- Member of Research and Journal Club

West African Senior School Certificate Examination (WASSCE)

Future Leaders Model College | 2009 - 2015

PROFESSIONAL CERTIFICATIONS

Medical Neuroscience | Duke University via Coursera | 2022 -

Advanced understanding of neurobiological basis of behavior and cognition

- Clinical applications of neuroscience in medical practice Link:
https://www.coursera.org/account/accomplishments/verify/HSKB8LVLNMJA?utm_source%3Dandroid%26utm_medium%3Dcertificate%26utm_content%3Dcert_image%26utm_campaign%3Dsharing_cta%26utm_product%3Dcourse

Writing in the Sciences | Stanford University via Coursera | 2022

- Scientific writing for peer-reviewed publications - Grant writing and research communication Link:

https://www.coursera.org/account/accomplishments/verify/PCK7LL2TFLTE?utm_source%3Dandroid%26utm_medium%3Dcertificate%26utm_content%3Dcert_image%26utm_campaign%3Dsharing_cta%26utm_product%3Dcourse

Statistics and Data Analysis in SPSS | Aqskill.org | 2025

Completed a comprehensive course in Statistics & Data Analysis using SPSS, mastering:

- Data analysis fundamentals: qualitative vs quantitative data, descriptive, inferential, predictive, and prescriptive analysis - SPSS interface navigation: Data View, Variable View, Output View, and Syntax Editor
- Data entry, import, cleaning, and validation from various sources (Excel, etc.)
- Applied statistical techniques:
 - Descriptive statistics: mean, median, mode, standard deviation
 - Inferential tests: correlation, simple and multiple regression, ttests, ANOVA/MANOVA
- Parametric and non-parametric testing
- Developed data visualization skills:
 - Created charts and graphs: bar charts, histograms, boxplots, pie charts
 - Customized and exported visuals for reports and presentations
- Analyzed real-world case studies and projects:
 - Survey data, research projects, and business datasets

- Applied SPSS techniques to drive insights and recommendations
 - Produced a professional data analysis report:
 - Applied APA formatting and statistical interpretation
 - Demonstrated ability to communicate complex findings effectively
- Mastering Microsoft PowerPoint: From Beginner to Expert | Aqskill.org | 2025

Completed 'Mastering Microsoft PowerPoint: From Beginner to Expert' and I'm excited to share my new skills! This comprehensive course took me from the basics to advanced techniques, covering design, multimedia integration, animations, and effective communication strategies. I'm now equipped to create visually stunning, engaging presentations that drive results. Whether it's pitching ideas, reporting progress, or teaching concepts, I'm ready to elevate my professional communication. Grateful for the learning journey

Data Analytics at Datasphere Academy

Completed an intensive course covering key data analytics tools and techniques, including:

- Python for data analysis and visualization
- Power BI for business intelligence and reporting
- SQL for database management and querying
- Microsoft Excel for data analysis and visualization
- Gained hands-on experience with:
 - Data cleaning and preprocessing using Pandas and NumPy
 - Data visualization using Matplotlib, Plotly, and Power BI
 - Data modeling and dashboard creation
 - SQL querying and data aggregation
- Developed skills in:
 - Data analysis and interpretation
 - Business intelligence and decision-making
 - Data-driven storytelling
 - Problem-solving and critical thinking

RESEARCH & PUBLICATIONS

Published Research

1. "Advancing Brain Health: Harnessing the Centilebrain Model for Enhanced Diagnosis of Mental Health Disorders"
 - Published in Annals of Medicine and Surgery (2024)
 - Co-author exploring innovative diagnostic approaches in psychiatry
 - [DOI Link] (<https://journals.lww.com/annals-of-medicine-and-surgery>)
2. "Endovascular Techniques in the Management of Moyamoya Disease: A Comprehensive Review of Current Therapeutic Options"
 - Systematic review of treatment modalities

- Contributing author

Research Projects

"Knowledge, Attitude, and Practice of Seasonal Malarial Chemo-prevention (SMC) among Women of Child-bearing Age"

- Principal Investigator | 2024
- Community-based cross-sectional study in Ilorin South LGA
- Sample size: 197 participants
- Findings presented at departmental symposium

HONORS & ACHIEVEMENTS

- National Phase Qualifier - Nigerian Academy of Neurological Surgeons

Quiz (2023)

- Ranked Top 6 nationally among 500+ participants
- Scholarship Recipient - Academic Excellence Grant (2023/2024)

Quiz Competition Championships

- 1st Position - Co-Participant, Inter-collegiate Quiz, LAUTECH (2024)
- 1st Position - Co-Participant, Late Emeritus Professor Araoye Inter-collegiate Quiz,

Ekiti (2023)

- 2nd Runner-up - NIMSA Southwest Quizlet Competition (2022)
- 2nd Runner-up - Co-Participant, Inter-collegiate Quiz, Lagos State University (2023)
- 2nd Runner-up - Co-Participant, 11th Annual Prof. Ojuawo Ayodele Quiz Competition
- 2nd Runner-up - Co-Participant, 3rd Biennial Medicus Competition, OAU (2024)
- Participant - FAMSA Africa Inter-MSA Quiz (2024)

LEADERSHIP POSITIONS

Project Manager, Al-Mustapha Medical Outreach held on December, 2025

Campus Coordinator | Al-Ansor Trust Fund, COHS | 2021 - 2023

- Managed scholarship distribution and student support services

Assistant General Secretary | Muslim Student Society of Nigeria (MSSN) | 2022 - 2023

- Led organizational strategy and program implementation

Student Advisor | University of Ilorin Cardiothoracic Surgery Interest Group

- Mentored junior students interested in surgical specialties

Student Advisor | Mission: Brain, University of Ilorin Chapter

- Promoted neuroscience education and brain health awareness

VOLUNTEER & COMMUNITY SERVICE

- MSSN Student Doctor on Call - COHS Hostel (2018-2019)
- Provided 24/7 medical support to 500+ hostel residents
- Ilorin Emirate Doctors' Group Outreach - Gambari Community (2022)
- Delivered free medical services to 300+ underserved patients
- Power Oil Medical Outreach Program (2022)
- Conducted health screenings and education sessions
- Ramadan Special Program Committee Member (2023)

TEACHING EXPERIENCE

Lead Medical Educator | HayMedics Academy | 2022 till present

Biology Tutor | A+ Educational Consultancy | March 2022 - February 2023

- Prepared 50+ students for WAEC and JAMB examinations
- Developed innovative teaching methods for complex biological concepts

Tutor, MSSN COHS Academic Office
2018 - 2021

PROFESSIONAL SKILLS

Clinical Skills

- Physical Examination | Clinical Diagnosis | Emergency Medicine | Patient Management
- Medical Documentation | Prescription Writing | Procedure Assistance

Technical Skills

- Data Analysis: SPSS, R, Python basics | Microsoft Office Suite
- Video Editing: Adobe Premiere Pro, DaVinci Resolve
- E-Learning Platforms: Moodle, Google Classroom
- Medical Databases: PubMed, Cochrane, UpToDate

Languages

- English | Yoruba (Native) | Arabic (Basic)

PROFESSIONAL AFFILIATIONS

- Nigerian Medical Association (NMA) - Member
- Medical and Dental Council of Nigeria (MDCN) - Registered
- Ilorin University Medical Student Association (ILUMSA)
- Research and Journal Club Member (2023)

My Personal Profile – Knowledge File for My AI Assistant

Last updated: Thursday, 25/6/2026 at 8:00pm

1. Who I Am (Basic Identity)

- Full name: Dr. Awal Olalekan Abdulrahman
- Preferred name (what should the AI call you?): Dr. Awal
- Title / honorifics: Dr. (Medical Doctor)
- Pronouns (he / she / they): he
- Date of birth: 17/11/1999
- Age: 26 year old
- Nationality: Nigerian
- Home town / state of origin: Alapa/ Kwara State
- Current city & country: Ilorin, Kwara State, Nigeria
- Time zone: West Africa Time (WAT, UTC+1)
- Languages I speak: English, Yoruba (Native), Arabic (Basic)
- Religion (optional): Islam. A Salafi Muslim. Staunch student of knowledge
- Marital status (optional): Married with a kid, Khadeejah.
- Favourite Food: Combo of Rice, fish stew, beans, Chicken and chilled water

2. How to Reach Me (Contact & Online Presence)

- Email: drherwal@gmail.com
- Phone: +234 816 547 1123
- LinkedIn: <https://www.linkedin.com/in/awal-abdulrahman-a53483219>
- GitHub: <https://github.com/HayMedics>

- YouTube: HayMedics Academy – <https://www.youtube.com/@HayMedicsAcademy>
- X (Twitter): @HayMedics – <https://x.com/HayMedics>
- Telegram: <https://t.me/+2G9OfHAHy3M4NmRk>
- WhatsApp / other: 08165471123, 08107820971
- Email: haymedicsacademy@gmail.com, drherwal@gmail.com

3. My Professional Background

- Current main role(s): Medical Doctor, Data Scientist, Medical Educator, AI Engineer Researcher, Founder of HayMedics Academy
- One-line description of me: Medical doctor and founder of HayMedics Academy, blending clinical practice, medical education, and data science.
- Years of experience: 8+ years of medical training. Almost 2 years of Practice

- Professional summary: A Medical Doctor with 8+ years of medical training and a track record in clinical practice, medical education, and neuroscience research. Founder of HayMedics Academy, mentoring 80+ medical students across Nigeria. Combines clinical skill with data analytics and entrepreneurial leadership. Strong passion for AI Engineer building products that solves health problem, products and solutions that saves time, money and lives.

Work history:

- House Officer (Medical Intern) – Kwara State University Teaching Hospital (Kwasuth) – Nov 2023 to Nov 2024
- Founder & Lead Medical Educator – HayMedics Academy – June 2022 to Present
- Data Scientist – HayMedics – Feb 2024 to Present
- Freelance Video Editor & Content Creator – HayMedia – April 2022 to Present
- Biology Tutor – A+ Educational Consultancy – March 2022 to Feb 2023
- Tutor – MSSN COHS Academic Office – 2018 to 2021

4. My Education

- MBBS (Bachelor of Medicine, Bachelor of Surgery) – University of Ilorin, College of Health Sciences (Oct 2016 – Oct 2024). Special focus on Neuroscience and Public Health.
- WASSCE – Future Leaders Model College (2009 – 2015)

5. My Certifications & Courses

- Medical Neuroscience – Duke University (via Coursera), 2022
- Writing in the Sciences – Stanford University (via Coursera), 2022
- Statistics and Data Analysis in SPSS – Aqskill.org, 2025
- Mastering Microsoft PowerPoint – Aqskill.org, 2025
- Data Analytics (Python, Power BI, SQL, Excel) – Datasphere Academy, 2025
- AI/Machine learning Bootcamp – Techcrush, 2026
- AI Bootcamp and Mentorship- MedNexAI Academy, Ongoing
- Agentic AI Bootcamp by Miracle, Ongoing
- Cloud Computing – Techcrush, Ongoing
- Learn SPSS from scratch to advanced in Udemy, Ongoing
- Data 365 Bootcamp on Udemy, Ongoing
- Python for Data Science and Machine Learning Masterclass by Jose Portilla on Udemy, Ongoing

6. My Skills

Medical / Clinical: Patient assessment & diagnosis, clinical decision making, emergency medicine, patient care, medical history taking, prescription & treatment planning, ward round leadership, clinical procedures

Research: Medical research design, scientific writing & publication, data analysis & interpretation, evidence-based medicine, systematic review, public health research, epidemiology

Data & Technical: Data analysis (SPSS, R, Python basics), SQL, Power BI, Microsoft Excel, Pandas, NumPy, Matplotlib, Plotly, data cleaning, dashboards, healthcare informatics

Tools & Software: Microsoft Office, Capcut, Zoom, Google meet, Jitsi meet, Google Classroom; medical databases (PubMed, Cochrane, UpToDate)

Soft skills: Mentorship, public speaking, team leadership, project management, strategic planning, teaching

Languages (human): English, Yoruba (Native), Arabic (Basic)

7. My Research & Publications

- "Advancing Brain Health: Harnessing the Centilebrain Model for Enhanced Diagnosis of Mental Health Disorders" – Annals of Medicine and Surgery (2024), co-author
- "Endovascular Techniques in the Management of Moyamoya Disease: A Comprehensive Review of Current Therapeutic Options" – contributing author
- Research project: "Knowledge, Attitude, and Practice of Seasonal Malarial Chemo-prevention (SMC) among Women of Child-bearing Age" – Principal Investigator, 2024 (197 participants, Ilorin South LGA)
- Other / in progress: []

8. My Achievements, Honors & Affiliations

Honors:

- National Phase Qualifier – Nigerian Academy of Neurological Surgeons Quiz (2023), Top 6 of 500+
- Sola Saraki Academic Excellence Grant scholarship (2023/2024)
- 1st Position – Inter-collegiate Quiz, LAUTECH (2024)
- 1st Position – Prof. Araoye Inter-collegiate Quiz, Ekiti (2023)
- 2nd Runner-up – NIMSA May Edition Quizlet(2022), LASU Quiz (2023), Prof. Ojuawo Quiz, Medicus OAU (2024)

Professional affiliations:

- Nigerian Medical Association (NMA) – Member
- Medical and Dental Council of Nigeria (MDCN) – Registered
- Ilorin University Medical Student Association (ILUMSA)
- Research and Journal Club (2023)

9. My Leadership, Volunteer & Community Work

Leadership:

- Project Manager – Al-Mustapha Medical Outreach (Dec 2025)
- Campus Coordinator – Al-Ansor Trust Fund, COHS (2021-2023)

- Assistant General Secretary – MSSN Nigeria (2022-2023)
- Student Advisor – UniIlorin Cardiothoracic Surgery Interest Group & Mission: Brain

Volunteer / community:

- MSSN Student Doctor on Call – COHS Hostel (2018-2019)
- Ilorin Emirate Doctors' Group Outreach – Gambari Community (2022)
- Power Oil Medical Outreach (2022)
- Ramadan Special Program Committee (2023)

10. My Goals & What I'm Working Toward

- My 1 goal right now: Become a job-ready Data Scientist / AI practitioner Specialist. Planning for residency training in Radiology or Community Health. Presently serving, NYSC Member

11. What I'm Currently Learning

- Data Science & AI fundamentals
 - Python programming
 - PyCharm (code editor)
 - Machine learning, deep learning, generative AI
 - Model deployment
 - Git/GitHub Version Control, LinkedIn, and portfolio building
- AI Bootcamp and Mentorship- MedNexAI Academy, Ongoing
- Agentic AI Bootcamp by Miracle, Ongoing
 - Cloud Computing - Techcrush, Ongoing
 - Learn SPSS from scratch to advanced in Udemy, Ongoing
 - Data 365 Bootcamp on Udemy, Ongoing
 - Python for Data Science and Machine Learning Masterclass by Jose Portilla on Udemy, Ongoing
 - Serving as an NYSC member

12. My Interests & Hobbies

- Professional interests: Neuroscience, public health, medical education, data science & AI, content creation
- Hobbies / things I enjoy: Reading, watching documentaries, playing with my wife and daughter, connecting with family
- Topics I love talking about: Islamic rulings and concepts, Rasheed (Preaching Oneness of Allaah), AI, Data Science, Medicine

13. My Personality, Values & Work Style

- 3 words that describe me: Easy-going, faithful and Hopeful
- My core values: Discipline and Consistency
- My strengths: Strong family connection
- Things I find challenging: Hardship of Nigeria
- What motivates me: The Quran and Sunnah

15. How I Like to Be Helped (Preferences)

I need a remote job to combine with my medical practice. I work flexibly.

- Explain things to me like: a complete beginner – simple words, short answers, step by step
- Tell me exactly what to click or type: Yes
- Tone I prefer: friendly, encouraging, direct
- Format I prefer: short steps, bullet points
- Things to avoid: heavy jargon, very long answers)
- Correct my mistakes: Yes, gently, and show me the better way

16. About My AI Assistant

- What I want my AI assistant to help me with: For potential employers to interact with it.
- Tasks I'll use it for most: Job searching
- Who will use it: Potential employers and anyone seeking to know me
-
